Subscription services

> **Autism Update** is an online bulletin published six times a year, which is suitable for anyone working with or caring for people with autism. It consists of a list of recent additions to the library which cover practical approaches and accounts of autism. The list is arranged in broad subject areas and each entry has a full reference and abstract. You will be given a login to access it on the NAS website. Cost: £14.99 per year, or free to NAS members.

> **Titles in Autism** is an online bulletin published six times a year. It consists of a list of all articles from peer-reviewed academic journals added to Autism Data in the previous two months. The list is arranged in broad subject areas and each entry has a full reference and abstract. You will be given a login to access it on the NAS website. Cost: £14.99 per year.

Our information services

Your autism charity

Information Centre

Our Information Centre provides a specialist information service for professionals working with people with autism and their families, and students and researchers studying autism.

We offer:

- > a reference library, a free enquiry service, specialist literature searches, and searches for services for your clients
- > information sheets on specific subjects and information packs relevant to particular professions
- > subscription-based information update services on the latest publications, training and events in the field of autism
- > a photocopy service

Online resources

Our databases and other resources are free to access online from our website: www.autism.org.uk.

Autism Data

www.autism.org.uk/autismdata

Autism Data is a searchable database providing information on published research, articles, books and multimedia on autism.

Research in Progress

www.autism.org.uk/researchinprogress

Research in Progress is a database of current peer-reviewed research projects.

Autism Services Directory

www.autism.org.uk/directory

Our Autism Services Directory is an online directory of autism services, support groups and training courses throughout the UK.

Signpost

www.autism.org.uk/signpost

Signpost provides personalised information for parents/carers and people with autism spectrum disorders relevant to age, diagnosis and location. It includes information on benefits, key services and training.

Information sheets

We provide reading lists and information on specific topics of interest. These are on our website at www.autism.org.uk/a-z. You can also contact the information Centre for these.

Information packs

We send out packs of information for students or for professionals in different fields including education, health and social work. Contact the Information Centre to ask for these.

Enquiry service

We answer enquiries submitted by telephone, email, website, fax or letter. From our literature and database searches we can provide information on:

- > journal articles, books, multimedia
- > schools
- > adult services
- > counsellors
- > research
- > courses and conferences
- > support groups and social groups
- > diagnosis services
- > short breaks and respite services

Reference library

We have over 70 journal subscriptions and a wide range of publications in the field of autism and related subjects. Photocopying, video and DVD viewing facilities are available. Please telephone to make an appointment for a visit.
