

Robert Ogden School Anti-Litter Policy

Robert Ogden School strives to be a litter free area where pupils, staff and visitors alike respect the school buildings and site. The school will teach respect, both for the environment through the curriculum and ethos of the school.

Aims/Rights

- Pupils in our school have the right to learn in a clean and healthy environment.
- The school strives to teach respect for the environment.
- The school will recycle waste wherever possible.
- All members of the school have the right to suggest ways to improve the school environment.
- All pupils are involved in recycling rota, as appropriate, to keep the school tidy.
- All staff have a duty to support pupils in their effort to deal with litter problems and recycling.

The school is registered on the Eco-Schools' Programme, with an eco-team made up from our school council.

This school policies promote respect and care for the school, community and global environment.

Responsibilities

It is the responsibility of the whole school to work together and to keep the school and grounds litter free. The Eco-team will empty the recycle bins around school and all paper and plastic collected will be taken to our recycling centre on the school grounds, this is part of the ongoing Eco-School activities.

Our school ethos

- To put litter in a bin
- To use the recycling boxes for paper
- To use resources thoughtfully
- To reuse resources where possible
- To assist the Maintenance and cleaning team where possible in ensuring the cleanliness of the school
