

# Placements available in our residential services

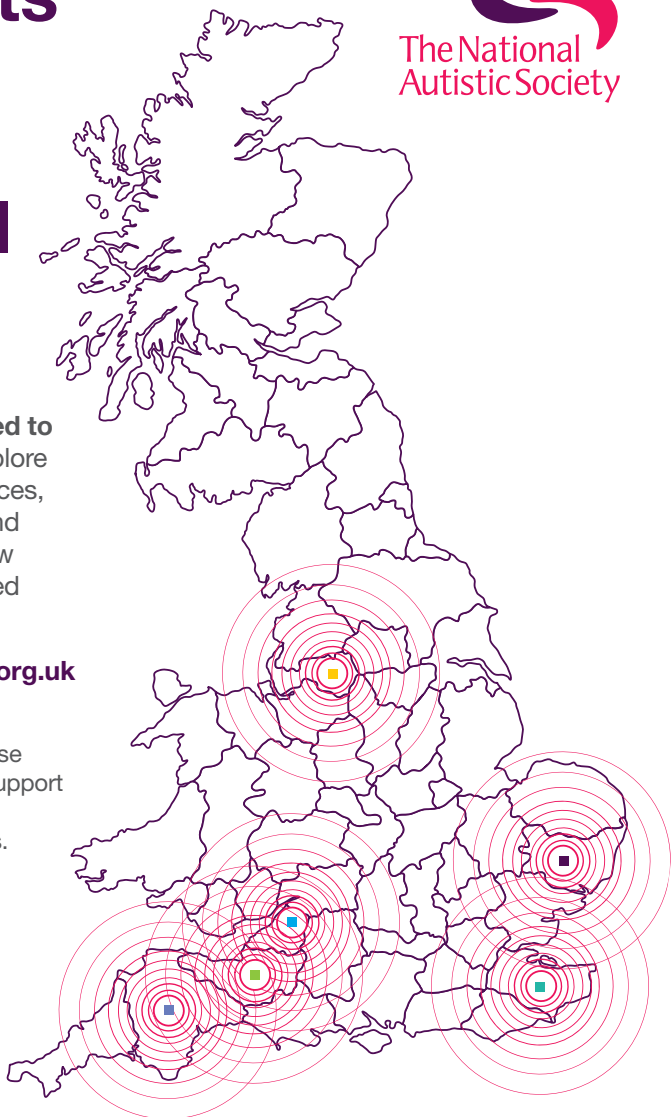

**Our expert support is tailored to each autistic adult.** They explore new activities in our day services, make life-affirming choices and gain independence with a view of moving towards a supported living environment.

Contact us at [services@nas.org.uk](mailto:services@nas.org.uk) to make a referral now.

We welcome enquiries about these placements, or about bespoke support packages from any of our other UK-wide specialist adult services.
